Green Building Features

In December 1999, California Construction Link magazine awarded the new Cal/EPA building "Best of 1999 Awards--Outstanding Engineering." The award was for "innovation in air handling, window placement, and recycling, resulting in a 25-story office tower with significant energy savings over California's stringent energy codes." Cal/EPA's home includes many [environmentally sensitive features](#).

Public Artwork

For those of you planning a visit, be sure to view the [custom-designed artwork](#) of four prominent artists dedicated to demonstrating the integration of art and the environment throughout the building. The artwork was the result of a Sacramento City ordinance that required a certain percentage of capital improvement construction costs be allocated for public art.

Travel to Cal/EPA Headquarters

1001 I Street
Sacramento, CA 95814

There are many ways to arrive at the Joe Serna Jr. Cal/EPA Headquarters Building ([by air](#), [train](#), or [car](#)). Use the information below, or also check other options at [Sacramento Regional Transit's transportation links page](#). There are also 25 bike parking spaces for visitors located at two sites in the courtyard.

By Air

Click map for larger image.

[Sacramento International Airport](#) is a 20 minute drive from downtown Sacramento. There are several transportation options from the airport to the Cal/EPA Building.

[YoloBus](#) has a bus route leaving the airport every hour from Terminal A and Terminal B at approximately 10 minutes after the hour from 7 a.m. to 10 p.m. You stand at the Public Transportation Bus Stop. The route takes approximately 18 minutes to get from the airport to 9th and K Street. This is 2 blocks from the Cal/EPA building. The return trip from 9th and K Street runs approximately 5 minutes after the hour and takes approximately 20 minutes to arrive at the airport. The cost is \$1.00! (800) 371-2877.

[SuperShuttle](#) Sacramento is another transportation option to and or from the Sacramento Airport. Please provide them with a 24-hour notice to arrange for pick-up service from the Cal/EPA building. (800) 258-3826 or (800) BLUEVAN

If you are renting a car, see the driving instructions below.

By Train

The Sacramento [Amtrak](#) train station is at 401 I Street and is 6 blocks from the Cal/EPA Headquarters building. The [Capital Corridor](#) intercity rail service provides Amtrak train and feeder bus services in Northern California. Multiple daily round-trip trains supported by connecting feeder bus services serve 172-mile rail corridor, including Bay Area airports and BART.

In addition to bus service, [Sacramento Regional Transit](#) also offers light rail transit services. The two closest stations are Cathedral Square and at 12th and I Street. Some outlying stations provide free

parking.

By Car

Getting to Sacramento:

- From the Bay Area, take I-80 East, then I-80 Business (Capital City Freeway), then I-5 North.
 - From Central/Southern California, take I-5 North, or take US-99 to I-5 North.
 - From the east, take US-50 West to I-5 North, or I-80 West to I-5 South.
 - From the airport and other points North, take I-5 South.
- Once on I-5 in Sacramento, take the J Street exit.
 - Take J St. east to 11th and turn left.
 - Go one block and turn left on I St.
 - The Cal/EPA headquarters building will now be on your right. It fills the block bordered by I St. on the south (1-way west), H St. on the north (1-way east), 10th St. on the west (1-way north) and 11th St. on the east (2-way).
 - There are 1- and 2-hour meters around the building, and a per-hour lot directly across from the building on I St.
 - Go to the information desk in the lobby if you need to meet with a staff person.

Parking

Metered Parking (1, 2, and 10-hour meters) is available around the building. Meter parking uses quarters (some meters may use special "debit cards").

Parking lots are also available in several nearby locations. The closest lot is across from the building on 10th & I Street.
